## Land Acknowledgment

York University recognizes that many Indigenous Nations have longstanding relationships with the territories upon which York University campuses are located that precede the establishment of York University. York University acknowledges its presence on the traditional territory of many Indigenous Nations. The area known as Tkaronto has been care taken by the Anishinabek Nation, the Haudenosaunee Confederacy and the Huron-Wendat. It is now home to many First Nations, Inuit and Métis communities. We acknowledge the current treaty holders, the Mississaugas of the Credit First Nation. This territory is subject of the Dish with One Spoon Wampum Belt Covenant, an agreement to peaceably share and care for the Great Lakes region. Learn more about land acknowledgments and York's Indigenous protocols at [go.yorku.ca/indgprotocols-ug](https://go.yorku.ca/indgprotocols-ug).

# A Space for Everyone

York's campuses are spaces where bold ideas take shape and lifelong connections are made. Here, you'll find your home away from home, a welcoming community of friends and your new favourite study spots and restaurants.

# Co-op and Work-Integrated Learning

Study where education meets impact: create positive change in your community, workplace and the world as you gain a competitive career advantage.

## The Co-op Advantage

### Get Real-World Experience

With co-operative education (co-op) at York, you'll gain paid work experience while earning your degree. Co-op positions are available across the majority of programs to ensure you find a role that fits your academic path and personal goals. Don't choose between passion and practicality; co-op is your chance to try different career paths on for size. Whether working for a start-up, non-profit, global company or government agency, co-op is your key to the future.

## Comprehensive Career Support

### Your Go-To Resource

Our Career Centre is your go-to resource for building career confidence, making connections and navigating your next steps — during your degree and for up to two years after graduation. From workshops to 1-on-1 counselling and exclusive career fairs, the Career Centre helps bridge your academic life to your professional future. You'll also have access to lifelong career support via York's Alumni Career Coaching.

## Explore What's Possible

### Build Relevant Skills

York provides many unique opportunities to build career skills throughout your degree. Work/Study, research programs, Cross Campus Capstone Classroom (C4) and industry practicums are all possibilities to support your professional development, and it doesn't end there!

## 2,200+ On-Campus Jobs

Take advantage of exclusive opportunities for York students to be employed on-campus through the Work/Study and RAY programs.

“During my co-op at Sanofi, I supported the transition of products from market-ready to in-market launch. This hands-on experience, combined with guidance from York's Career Centre, helped me secure a full-time role within two months of graduating.”

# Transfer and Mature Students

Whether you've been out of school for some time, or are looking to transfer from another institution, York offers flexible learning options and pathways to help you continue your educational journey.

## Transfer Students

### Am I a Transfer Student?

A transfer student has completed prior post-secondary education at an accredited college or university, or is currently studying at one.

### How Do I Transfer My Credits?

If you completed any courses at a post-secondary institution, we will assess you for transfer credits at the time of admission. You will receive a preliminary assessment of transfer credits on your offer of admission, if eligible.

### How Are Transfer Credits Assessed?

Transfer credits are assessed based on:

- academic equivalency to York courses;
- the number of courses you have completed;
- grades achieved; and
- how your previous post-secondary studies fit with the program to which you've been admitted.

Depending on the program you are admitted to, you may be required to complete additional courses to meet program-specific requirements.

We will provide you with a transfer credit statement once you have accepted our offer of admission. It will list the number and type of York credits you are eligible to receive toward the program to which you have been admitted.

To find out more about transfer pathways and credit assessment, visit [go.yorku.ca/transfer-ug](https://go.yorku.ca/transfer-ug).

### Curious About Your Credits?

Check out the Course-to-Course Transfer Guide to find out how many transfer credits may count toward your degree program. [go.yorku.ca/ontransfer-ug](https://go.yorku.ca/ontransfer-ug)

### Pathway for Ontario College Students

York's articulation agreements offer a simplified, guaranteed transfer process for college transfer students.

York has agreements with six different Ontario colleges, which guarantee students a set amount of transfer credits for the completion of a specific program.

[go.yorku.ca/articulation-ug](https://go.yorku.ca/articulation-ug)

# Mature Students

## Am I a Mature Student?

The definition of a mature student can vary widely depending on self-identification, academic background and, of course, age. At York, we consider you to be a mature student if you:

- are at least 21 years old by the end of the calendar year when you are admitted to York;
- have been out of full-time, high-school studies for at least two years or have returned to upgrade after a two-year absence; or
- have completed less than one year of college- or university-level courses.

## Helping You Begin

York provides a number of bridging and academic transition programs that help students acquire the background needed for university study, build educational capacity and encourage a diverse student population.

Learn more at [go.yorku.ca/bridging-ug](https://go.yorku.ca/bridging-ug).

## Tailored Support for Mature Students

Starting university after being away from school for an extended time is a big step. York provides dedicated support services to guide you along the way and that consider your academic, professional and personal development.

### Atkinson Centre for Mature & Part-time Students

Get support as a mature, part-time or transfer student through orientations, workshops and a peer mentor program all designed to support the needs of adult learners.

### York University Mature Students Organization

Participate in social and community events throughout the year to make the most of your student experience at York. Part-time and transfer students also welcome.

## Automatic Entrance Scholarships for Transfer and Mature Students

# How to Apply

## Understand Your Application Requirements

1

Visit [go.yorku.ca/apply-ug](https://go.yorku.ca/apply-ug) to find admission requirements for your program of interest.

To apply, you will need:

- ✓ Ontario Secondary School Diploma (OSSD);
- ✓ Six 4U/4M courses, including ENG4U or FRA4U;
- ✓ All applicable program-specific requirements;
- ✓ A supplementary application (if required for the program); and
- ✓ A proof of language proficiency (if required).

To see if you meet English proficiency requirements, visit [go.yorku.ca/lang2025-ug](https://go.yorku.ca/lang2025-ug).

*Meeting the minimum requirements or admission average ranges listed online or within University publications is not a guarantee of admission [go.yorku.ca/disclaimer-ug](https://go.yorku.ca/disclaimer-ug).*

**Are You Applying as an Out-of-Province, Transfer or Mature Student?**

Visit [go.yorku.ca/requirements-ug](https://go.yorku.ca/requirements-ug) for your specific admission requirements.

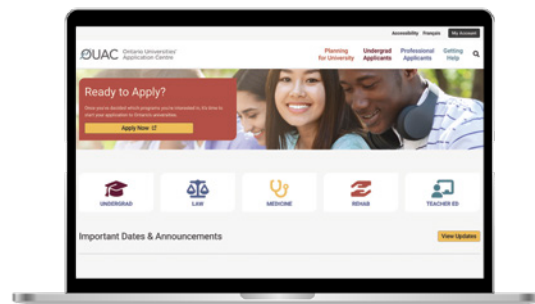

## Submit Your Application

2

Submit your application through the Ontario Universities' Application Centre (OUAC) at [ouac.on.ca](https://ouac.on.ca).

Applicants from outside of Ontario or with previous post-secondary education may apply directly via the York University application for most programs.

Visit [go.yorku.ca/apply-ug](https://go.yorku.ca/apply-ug) for details.
